Abstract

Acknowledgements

This work would have not been possible without the input and support of many people over the last three and a half years. I would like to express my gratitude to everyone who contributed to it in some way or other.

First, I would like to thank my academic advisors, ...

My sincere gratitude goes to ...

I am also thankful to ...

Last but not the least, I owe to my family including my parents, my sister and my wife for their unconditional love and immense emotional support.
